Wonderful Words of Wisdom

**Bright lights cast dark
shadows when
shone from only
one direction.**

David Kelly

**The world
abounds with
many perspectives.
Explore and enjoy.**

Ron Kaufman

**Snowflakes are one of
nature's most fragile
things, but just
look at what they
can do when they
stick together.**
Vesta Kelly

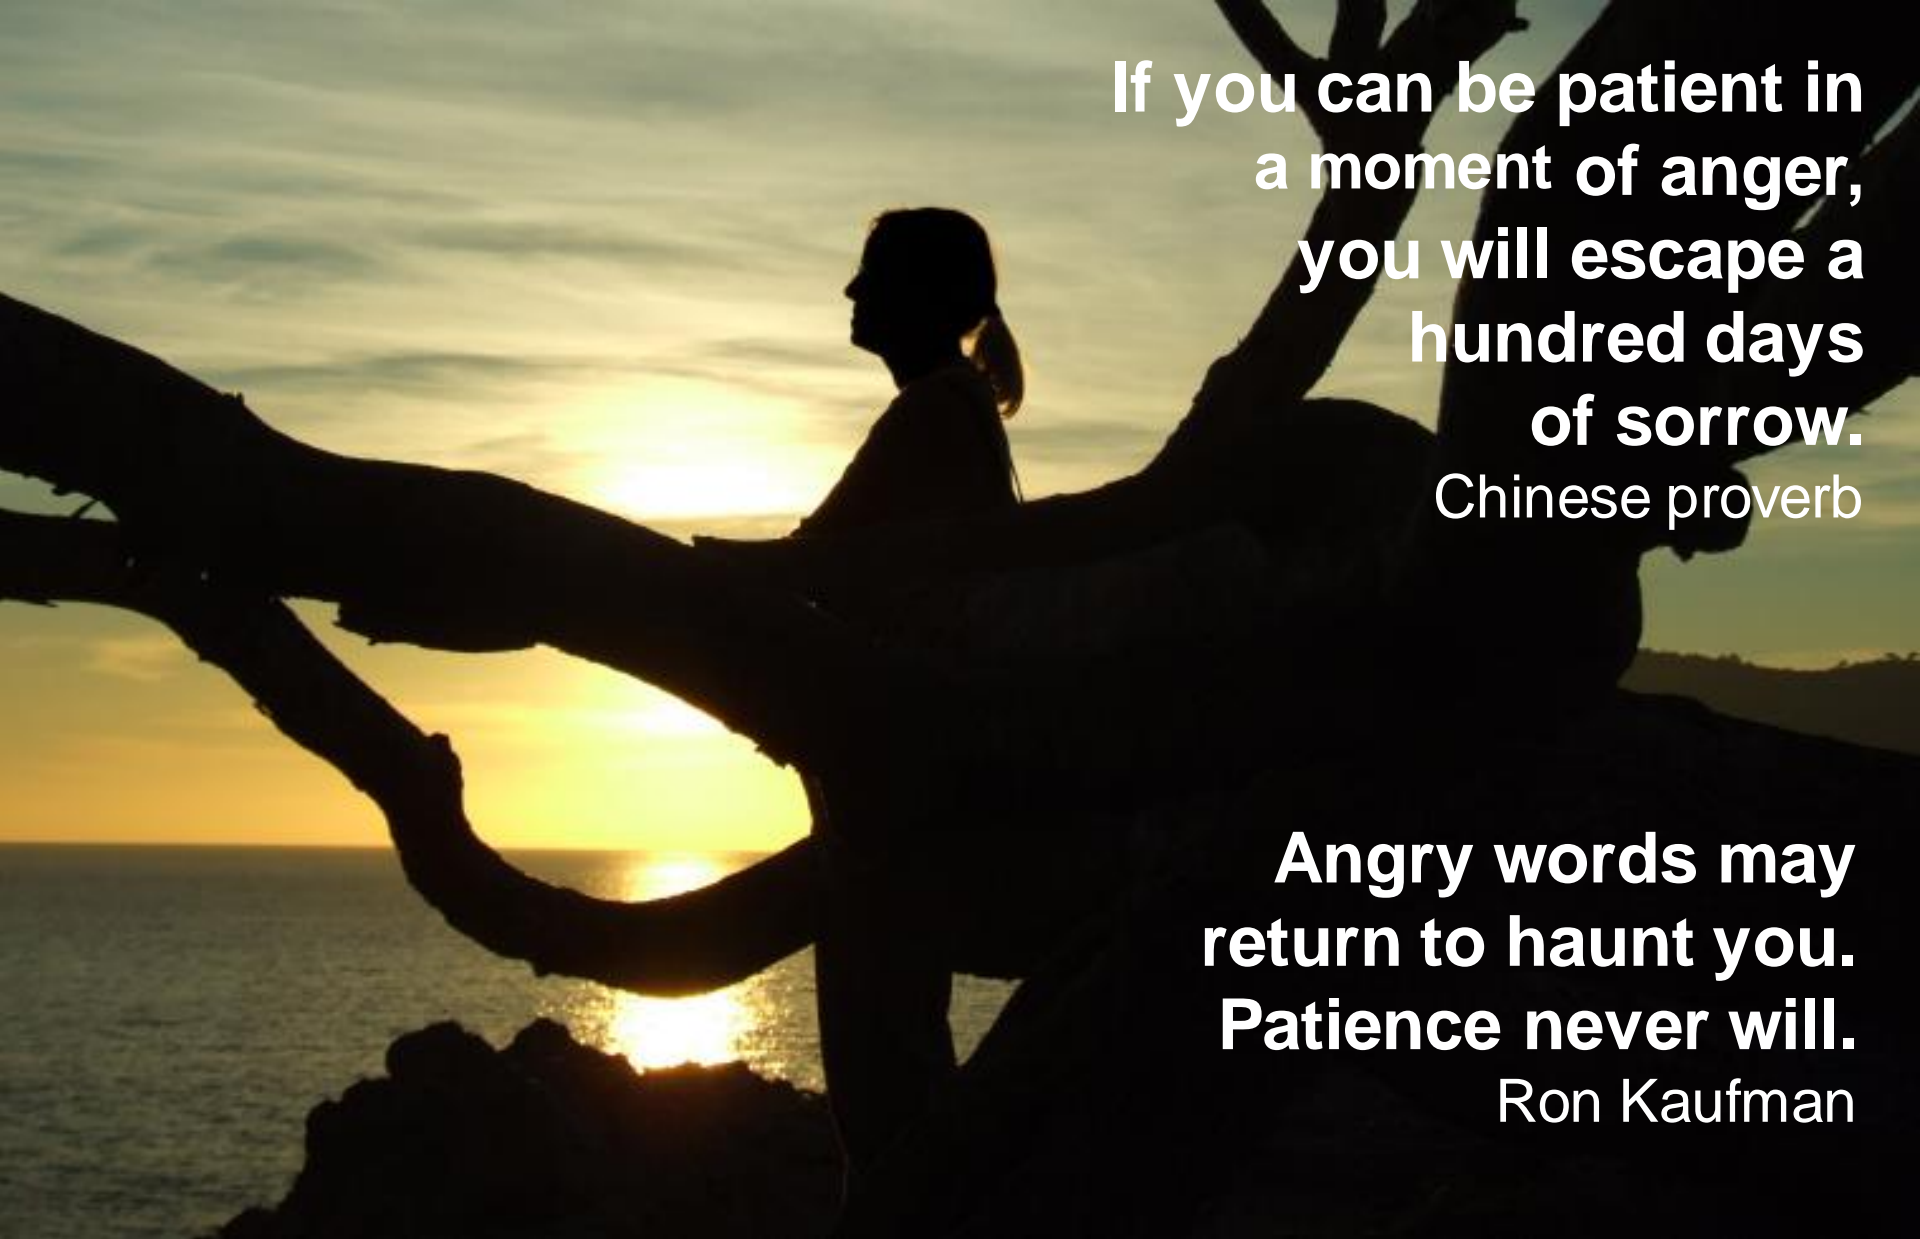

**Whatever is at the center of our life
will be the source of our security,
guidance, wisdom and power.**

Stephen Covey

What have you placed at the center of *your* life?

Ron Kaufman

**If you can be patient in
a moment of anger,
you will escape a
hundred days
of sorrow.**
Chinese proverb

**Angry words may
return to haunt you.
Patience never will.**
Ron Kaufman

In matters of style, swim with the current;
in matters of principle, stand like a rock.

Thomas Jefferson

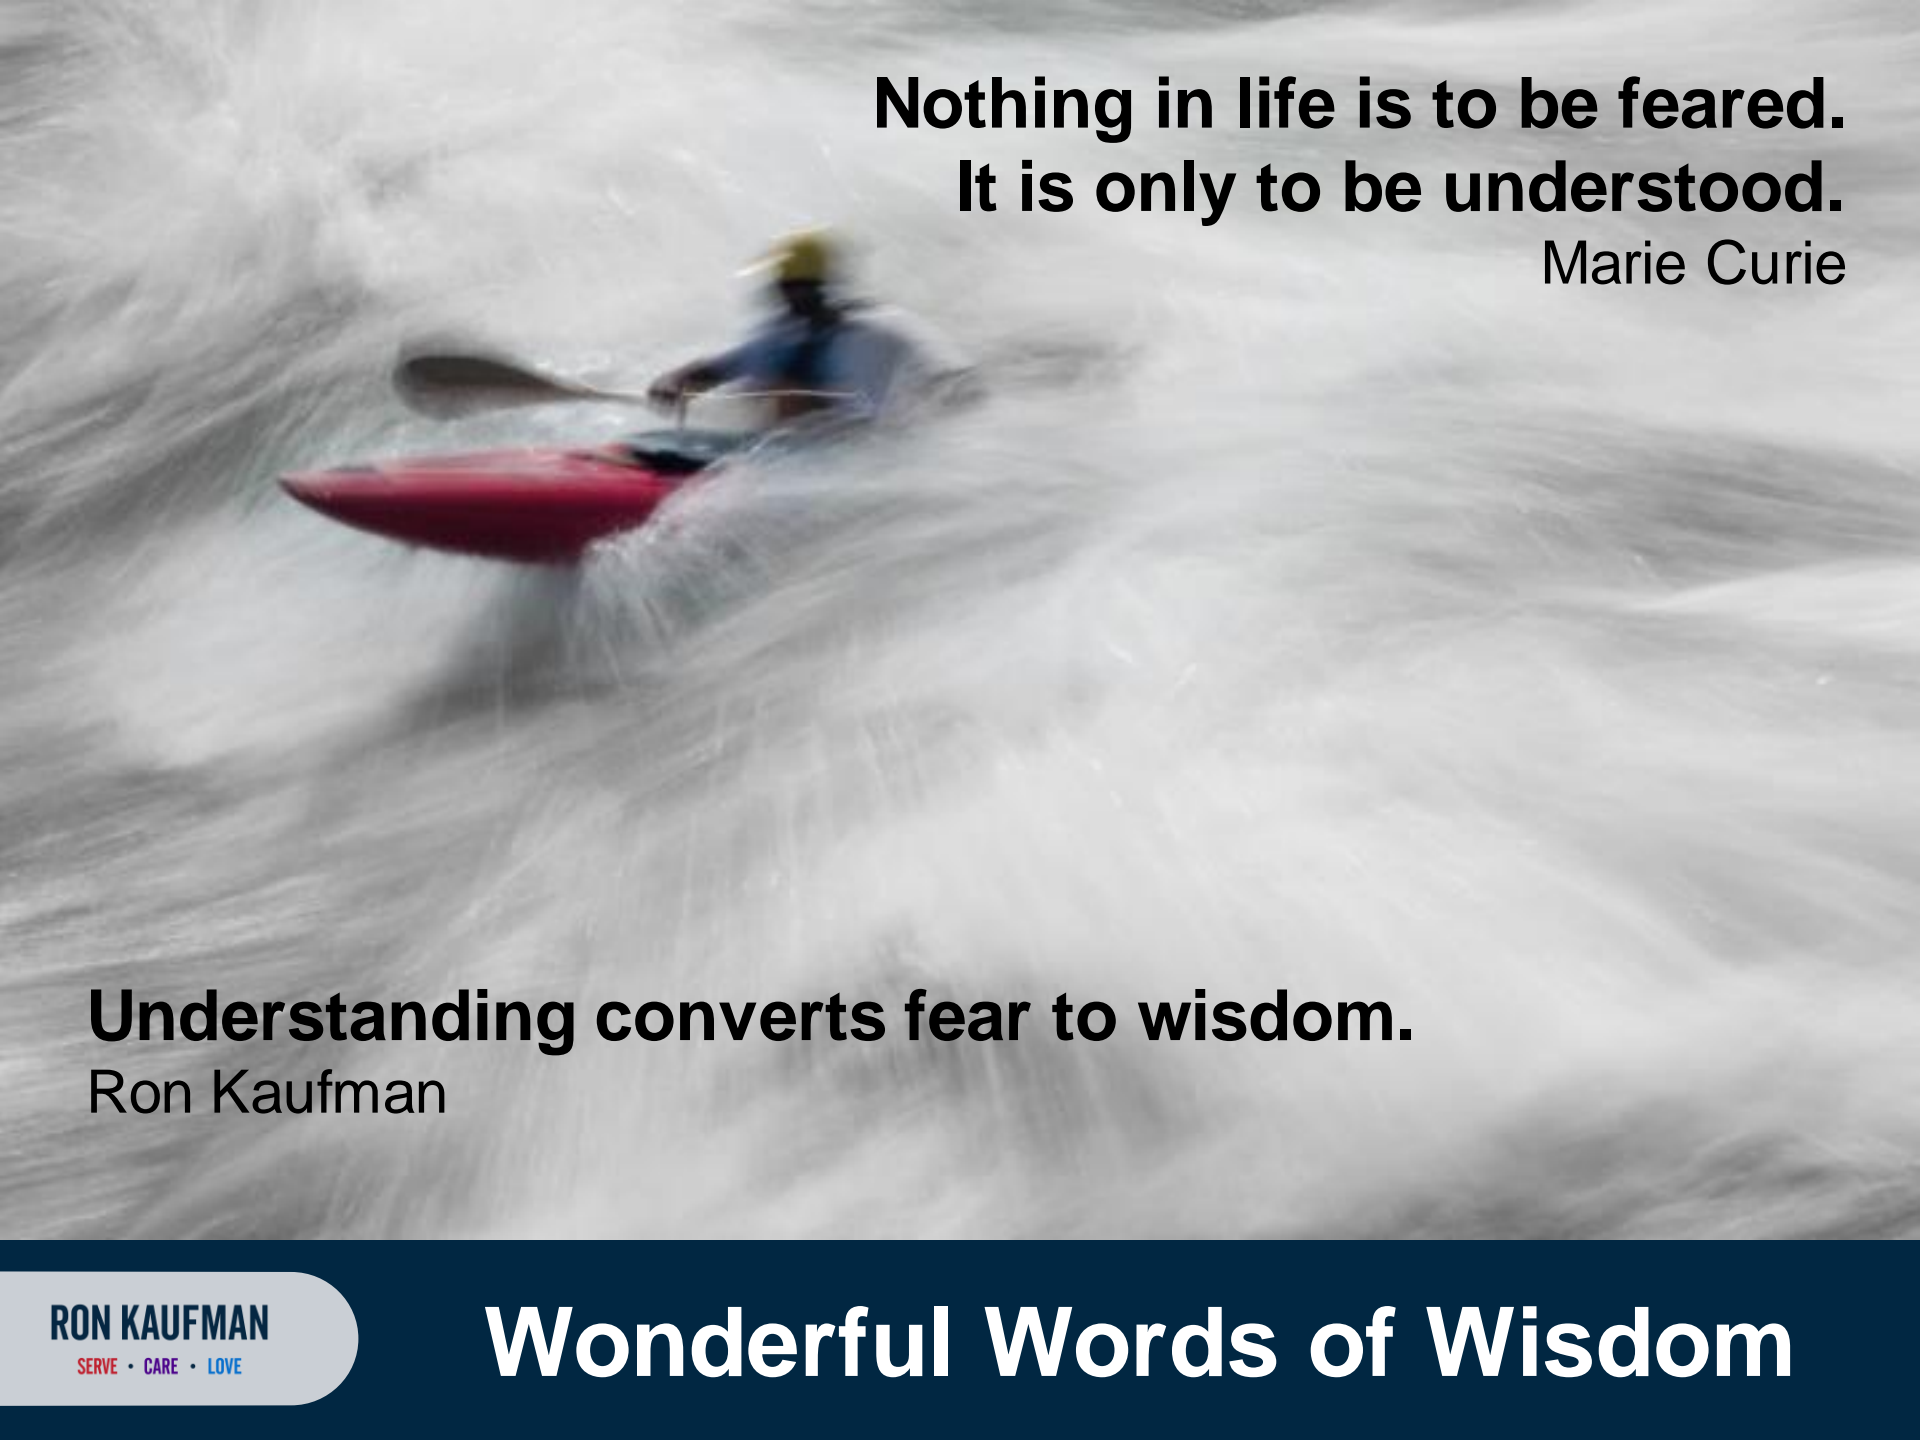

An art in life is
knowing when to
stand, and when
to swim along.

A kayaker wearing a yellow helmet and a blue shirt is navigating a red kayak through white water rapids. The water is splashing and turbulent, creating a sense of motion and challenge. The kayaker is positioned in the center-left of the frame, leaning forward and using a paddle to maneuver through the rapids.

**Nothing in life is to be feared.
It is only to be understood.**

Marie Curie

Understanding converts fear to wisdom.

Ron Kaufman

A person is standing on a beach at sunset, looking out at the ocean. The sky is a deep blue with some clouds, and the water is calm, reflecting the sky. The person is silhouetted against the bright horizon.

**When you look for truth outside yourself,
it gets farther away.**

Anthony Yeo

Search within and you will discover.

The activist is not the man
who says the river is dirty.

The activist is the man
who cleans up the river.

H. Ross Perot

The commentator makes a noise.
The activist makes a difference.

Wonderful Words of Wisdom

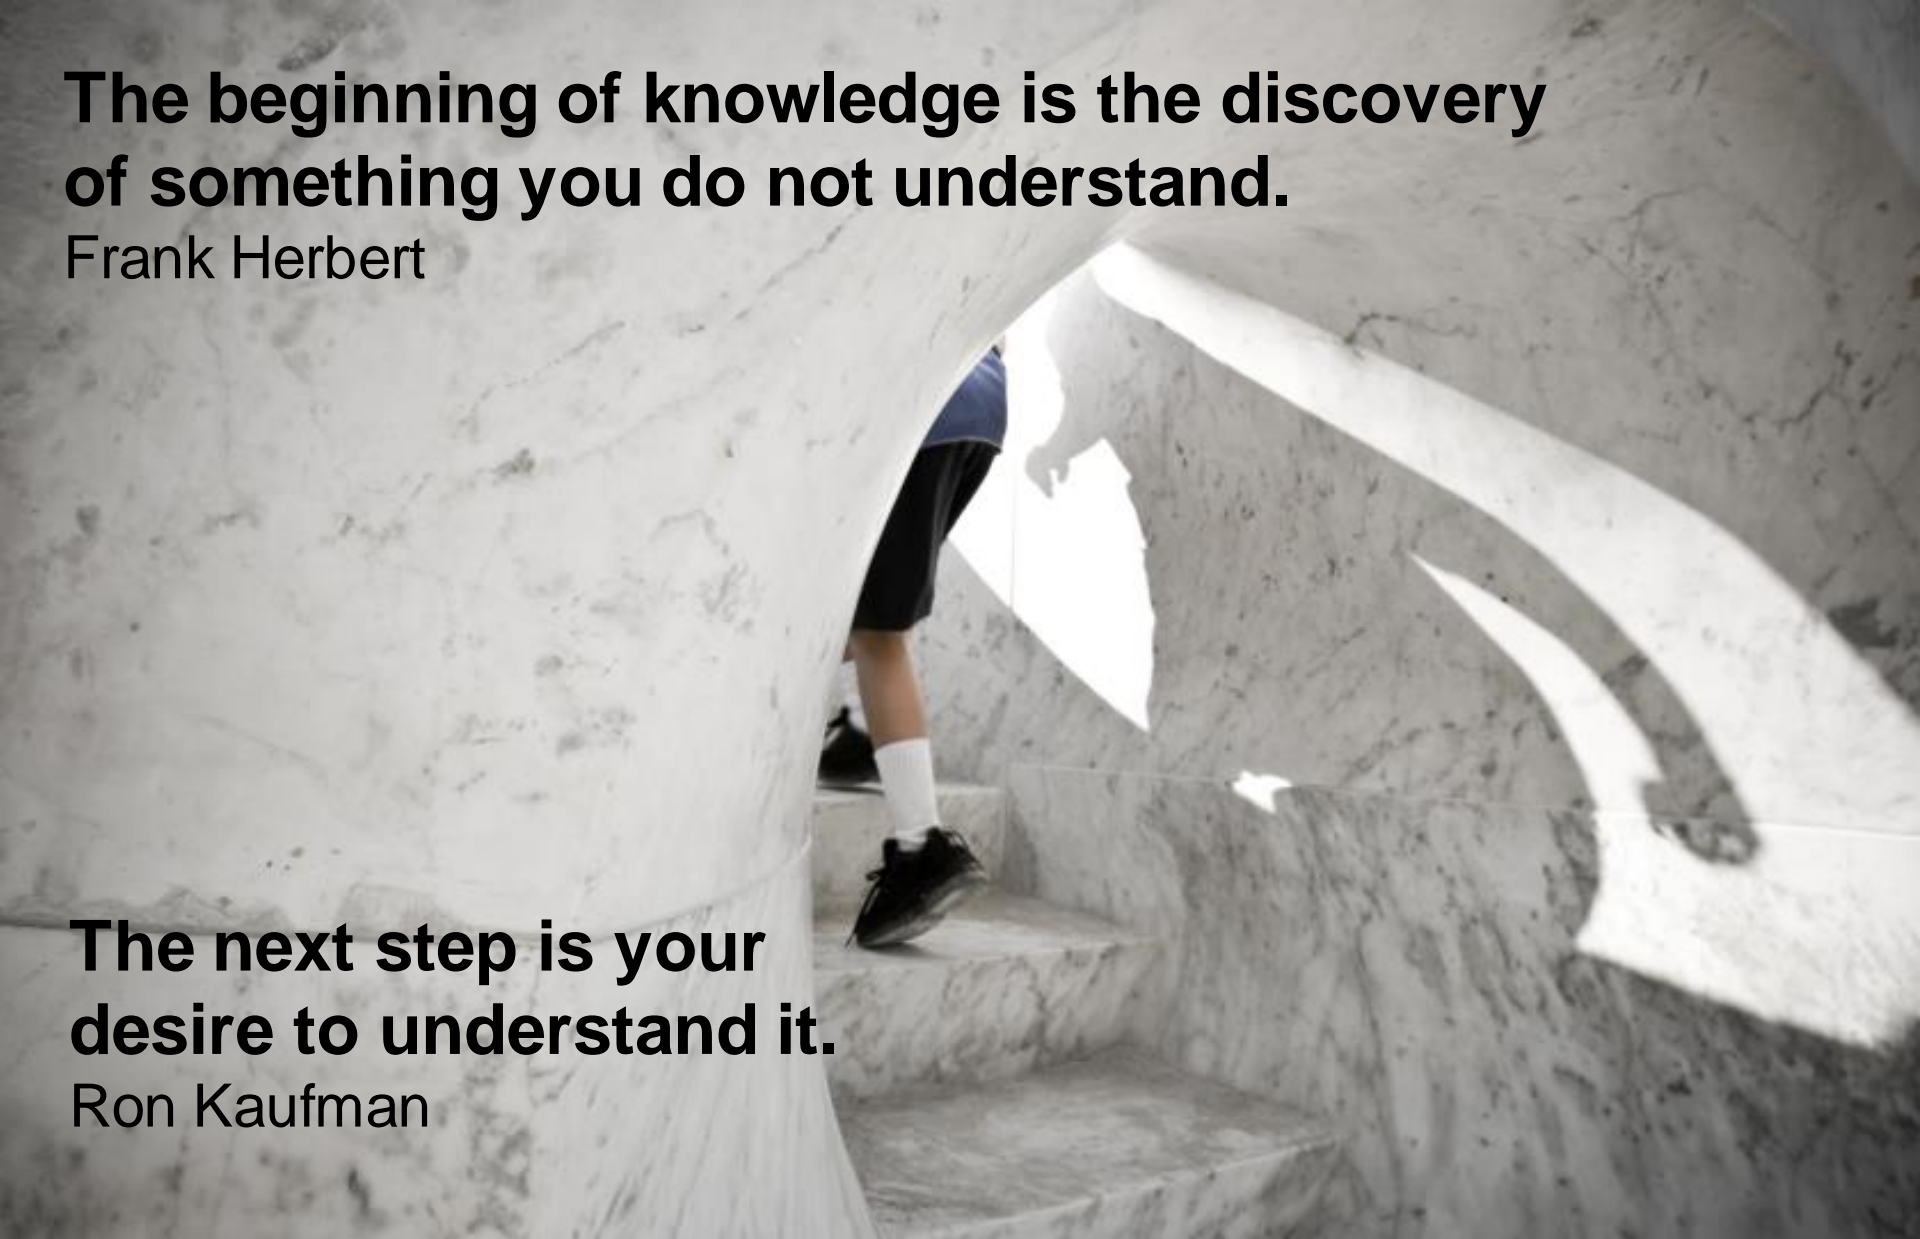

What we see depends mainly on what we look for.
John Lubbock

Look for beauty and you will see a beautiful world.
Ron Kaufman

**The wise man
realizes how little
he knows.
The foolish man
imagines
he knows
everything.**
Jawaharlal Nehru

A person is seen from behind, climbing a curved stone staircase inside a tunnel. The tunnel walls are made of rough, textured stone. The person is wearing a blue shirt, dark shorts, white socks, and black sneakers. The lighting is dramatic, with bright light coming from an opening at the top of the stairs, creating strong shadows and highlights on the stone surfaces.

**The beginning of knowledge is the discovery
of something you do not understand.**

Frank Herbert

**The next step is your
desire to understand it.**
